The Office of the State Superintendent of Education (OSSE) presents the Smart College & Career Choice Expo: a yearly event designed to expose 7th – 11th grade students and their families to the complete post-secondary landscape and to encourage smart college and career choices. This is not your typical college fair. OSSE will expose students to two and four year colleges, career/certificate programs, 1:1 college advising, scholarship opportunities, and an innovative on-line Career Navigator!

Please mark your calendar and plan to join us Saturday, April 12, 2014 for our Smart College & Career Choice Expo. If you would like to participate as a presenter or a representative, please contact Mike Andrews by e-mail: mike.andrews@dc.gov or by phone: (202) 481-3485.
